A23 Trailer Repairs EHS Commitment

A23 Trailer Repairs is dedicated to pursuing the highest standards in Environmental, Health, and Safety (EHS) practices, strictly adhering to all legal requirements and industry-leading guidelines.

Delivering on this promise is a shared, daily responsibility across our team.

A23 Trailer Repairs is focused on cultivating a secure, healthy workplace while actively preventing any negative impacts on our local environment and the communities we serve. Our EHS initiatives are built upon our direct, hands-on commitment and the application of effective safety tools throughout our daily service operations.

Aims & Objectives

We will realize these objectives by embedding EHS principles into our core company values and strictly enforcing A23 Trailer Repairs' safety and environmental protocols. Our operational strategies are designed to guarantee:

- Active dedication and daily collaboration regarding all EHS matters.
- Clear lines of accountability and designated safety roles within our operation.
- Continuous, relevant health and safety training and upskilling for our team.
- Practical, standardized methods for identifying, assessing, and mitigating workplace hazards.
- Secure work environments for ourselves, our clients, and any contractors, aligning with strict regulatory standards.
- Ongoing review and enhancement of our safety procedures to guarantee long-term effectiveness.
- A deeply ingrained culture of safety awareness and responsible behavior in every task we undertake.

Environmental Sustainability

We pledge to protect our environment through the following core actions:

- **Reduce:** Actively minimizing our ecological footprint to protect the communities in which we operate.
- **Re-use:** Encouraging the continuous utilization of materials and resources wherever practical.
- **Recycle:** Processing our operational waste materials into new, usable products to prevent landfill buildup.
- **Dispose:** Ensuring any remaining waste is kept to an absolute minimum and discarded through safe, approved channels.

Team Commitment

Our personal safety and well-being are our highest priorities. As a dedicated team, we pledge to collaborate proactively to maintain a hazard-free and healthy occupational environment.
